Regional Tournaments & Events Fund
Guidelines and Instructions

• OVERVIEW

The Kitsap Public Facilities District (KPFD) uses a Washington State sales tax rebate to invest in sports, recreation, entertainment and conference facilities with other partners in Kitsap County. The KPFD also seeks to promote the use of these facilities, to expand local recreational options and stimulate economic benefit to the community by assisting local organizations host regional sports tournaments and special events at the facilities built or renovated with KPFD-managed funds.

• *EventFund* PURPOSE

For the last several years, the KPFD is making funds available through the KPFD *EventFund* to support Kitsap County-based organizations that want to host, produce and/or market local and regional sports tournaments or special events at KPFD supported facilities.

• *EventFund* GUIDELINES

The KPFD Board of Directors accepts applications and makes fund allocations from the KPFD *EventFund* twice a year. Round I on is held in December/January and Round II is held in May/June. Fund award decisions are competitive and range from \$500 to \$5,000.

Applicants must be a Kitsap County-based organization requesting funds for producing or hosting regional sports tournaments and events hosted at one of the following three facilities developed with KPFD-managed funds.

- Kitsap Conference Center at Bremerton Harborside
- Kitsap Fairgrounds and Events Center
- Facilities within North Kitsap Regional Event Center

KPFD *EventFund* primarily supports programs that stimulate economic activity by drawing out-of-county participants, families and tournament enthusiasts to Kitsap County, while also providing entertaining and healthful recreational opportunities for Kitsap County residents.

The applicant organization's mission, local community affiliations, memberships, as well as a written statement about the proposed tournament or event are required as part of the application. The application must identify the public benefit to result from the use of fund allocations from the *EventFund*.

Awards must be used for the purpose of marketing and promoting the event and the facility, the purpose must be stated clearly in the proposal and in accord with the event plan, budget and time line. The KPF D logo and name must be prominently displayed in the marketing literature.

Organizations may apply for KPF D **EventFund** for a specific activity or event for up to three years. To be considered for additional year funding, the event follow-up reporting requirement must be complete.

The KPF D is committed to the development of successful events in Kitsap County that promote and utilize the KPF D qualified facilities. To that end, we encourage applicants to contact the KPF D staff prior to submitting an application for funding. We are pleased to discuss project ideas, help develop a realistic event budget or assist as you prioritize the organizational details of the event.

We also are available to review the funding proposal. These services are available as time permits until one week prior to the application deadline.

Allocation of KPF D **EventFunds** is based on a number of factors including, but not limited to, projected number of participants, projected audience size, potential for future growth of the tournament or event, uniqueness or duplication of programming within the Kitsap County area, and demonstration of the need of the organization. Additional community support, matching funds and the potential for long-term sustainability are also important and are considered a strong positive for receiving an allocation from the KPF D **EventFund**.

KPF D EventFund prioritizes support for programs and events that:

- Draw a large number of participants and audience members from a geographic area beyond Kitsap County.
- Encourage over-night stays in Kitsap County area hotels, motels, B & B's and campgrounds, especially during off-season months.
- Demonstrate collaborative efforts among teams, schools, businesses and government agencies.
- Leverage KPF D allocation with funds from other sources.
- Encourage use of volunteers.
- Enhance participation opportunities for children and youth.

KPFD requires KPFD *EventFund* recipients to submit a detailed after-event report so that the KPFD board of Directors can evaluate and document the public benefits received.

- A brief narrative highlighting an overall evaluation of the event.
- The strengths and weaknesses of the event.
- Number of participants; the demographics of the participants (i.e. age, county and state of residence.)
- Number of spectators/audience; the demographics of this group (i.e. age, county and state of residence.)
